### PRODUCT

Our qickly® wardrobe system impresses with its 45 degree miter and ABS edge in multiplex look. The body color is white melamine. This ultra-modern design makes classrooms and offices a real eye-catcher.

The cabinet boasts plenty of storage space and mobility, making it suitable for use in both schools and offices. It is separated by two shelves and offers space for a total of three file heights. The cabinet door can be fitted on the right or left. In addition, the cabinet system can be easily extended at any time and can also be ordered with a set of castors, two of which are lockable.

The plinth height is 8.6 cm. The plinth height does not change when optional castors are used. The material thickness of the walls and shelves is 19 mm, the fixed rear panel is 8 mm thick and guarantees a high level of stability.
